Conversion Course

*An advanced training for **qualified** technicians only!*

MICROBLADING TO POWDER BROW CONVERSION:

With the ever growing interest in machine method for Powder Brows, we are happy to introduce our conversion workshop which will transform your techniques learned in Microblading and manual shading into beautiful long- lasting shaded brows.

With this technique you will be able to service more clients with oily skins, mature skins, darker skin tones and much more!

COURSE OUTLINE:

What you'll learn:

- Techniques in Machine Shading
- Revision of colour Theory
- Perfecting of Mapping Techniques
- Machine Needles & Configuration
- Brow Shapes & Skin Analysis
- Practice Skins
- Model Work

Day 1

Theory & Practice on Latex Skins

Day 2

Live Model Work

Included:

Includes All In-Class Equipment and Supplies, Excludes Machine.

**Training based in Sandton, Johannesburg*

R7,500

One Day Workshops

LASH LIFT WORKSHOP

R3500

Sought after Lash Lift treatments are the best 'add-on' to any treatment you currently offer! **1-day** workshop including kit, light lunch & refreshments

Course Outline:

10am: Theory

11am: live demonstration

12pm: Lunch

1pm: Model 1

2pm: Model 2

Professional Lash Lifting Kit Includes:

- Lift lotion
- Neutralizer
- Nourishing Lotion
- Lash Pads & Glue
- Training manual

DERMA PLANNING WORKSHOP

R2000

A relatively "new" technique of manually removing dead skin cells and Vellus hair from the face, neck and decollate. The treatment is performed with a fine scalpel which gently and carefully glides over the skins surface, leaving behind a smooth soft feel. **1-day** workshop including **kit, light lunch & refreshments**

Course Outline:

10am: Theory

11am: live demonstration

12pm: Lunch

1pm: Model 1

2pm: Model 2

Kit Includes:

- Scalpel Holder
- Scalpel Blades (10)
- Scalpel Removers (10)
- Sample Rosehip Oil
- Rosewater Mixture

** Training based in Sandton, Johannesburg*
